

Ms. I's Update

September 29 - October 5, 2019

Dear St. John School Community,

This week we had sunshine, rain and everything in between. The students and staff adapted and showed how versatile and creative they could be in handling whatever God presented each day.

Please take time to once again check your child's profile on SchoolSpeak. As I was checking this week, many children have incomplete profiles. Anything with a red asterisk is mandatory. Completed and accurate profiles are extremely important. This helps us run the school efficiently. Thank you for supporting our efforts to better serve our students at St. John School.

Our student athletes have started their practices and are out representing our school. Our cross-country team had their first meet at Lake Merced. Our soccer and volleyball teams have games Friday - Sunday. Check out the CYO website for updated game times and show up to support a team!

On Friday, we will have our annual Pet Blessing. I pray that as a community we are able to bring to life the Peace Prayer of St. Francis. Please join us at 2pm. Go Eagles!

Ms. Iwaszewicz

Thank you!

Volunteers: Thank you to all of our St. John volunteers. Your help is very much appreciated.

Visitor Badge: Please note that per school policy, all visitors to St. John School must sign in and wear a visitor badge. Please check in with the front desk. We love our parents and enjoy your presence—help us enforce our safety policies. As you enter the glass doors, the sign-in book is on your left.
