ST. JOHN'S  
PTG

October was certainly a busy month for us here at St. John's. The school honored Bullying Prevention Month by having a blue shirt day. It is important to remind our children and ourselves to be kind to one another. Kindness goes a long way. We celebrated Halloween with our annual all-school carnival then later in the day with our first-ever community Halloween carnival.

PTG is very glad to report that even though it was our first year organizing and hosting the community carnival, it was an exciting event and turned out to be quite a success. Not only was it well-attended but all the planning and organizing behind it paved way to a positive collaboration with community programs and associations including the Glen Park Association, the Knights of Columbus St. John's parish chapter, and strengthened our ongoing relationship with the SFPD. In addition, in the course of acquiring financial sponsorship for the carnival, we were able to establish a relationship with some local businesses including SF Dream Homes, SF Premier Dental, DJ Cleaning Services and Kimberly Stewart, Attorney at Law. Their generosity truly helped make this event happen. Some of the other businesses we approached for sponsorship were unable to participate on Halloween, but have gladly donated to the Fall Dinner.

As we approach the holidays, please consider supporting our school in other ways in addition to attending events and volunteering valuable time. We sell Scrip cards at the front office or you can download the order form on [schoolspeak](http://schoolspeak) and order from a variety of popular retailers. These would make good Christmas gifts for people on your list and a percentage of your purchase will go back to the school. You can also link your Amazon account to Amazon smile ([smile.amazon.com](http://smile.amazon.com)) and choose St. John's the Evangelist, San Francisco as the charity and the company will donate a percentage of purchases to the school.

I look forward to seeing you all around school and at the various events.

Caroline Salvador-Moses  
PTG President
