

Bay Area Companies That Match Employee Donations

The following local companies offer a matching gift when their employees make a personal donation to a nonprofit organization such as St. John School. This means that your employer may be willing to match all or part of your donation to St. John School with a donation of their own. Our list is not comprehensive. Please check with your employer (HR or People Operations department) if your employer is not listed below. Your employer will provide you with all the information needed to process your matching gift request. If your employer offers a matching gift program but is not listed below, please let us know so that we can add them to our list. If you know the direct URL link to their matching program, please include it. Thank you! - St. John School PTC
